---

## Objectives

Tecnical position in the oil and gas industry, production, press shop, die and mold shop for the development and execution projects and business.

---

## Qualification Summary

23 Years of Mechanical Industry experience as a machine operator, mechanical technician, designer, CAD / CAM programmer and engineering coordinator.

---

## Professional Experience

**GME Aerospace** – Brazil – (currently) Parana

Project manager

**Gestamp Automocion** – Brazil - ( 2001 to 2016) Parana

Responsible for CAD / CAM sector, machining supervisor, designer, engineering coordinator.

**Vama tooling** - Brazil - ( 2000 to 2001) Santa Catarina

Responsible for CAD / CAM sector.

**Herweg Moulds and Tools** – Brazil – ( 1996 to 2000) Santa Catarina

Responsible for CAD / CAM sector and injection mold designer

**Floriano tooling** – Brazil ( 1995 to 1996) Santa Catarina

Responsible for CNC machining center, CAD / CAM programmer.

**Kavo in Brazil** – Brazil – ( 1994 to 1995) Santa Catarina

Responsible for CNC machining center

**Tornarth Tooling** – Brazil – ( 1993 to 1994) Santa Catarina

Responsible for turner machine

## **Academic Background**

Uninter international(currently)

Mechanical Engineering (1998 > 2001 not complete) UDESC - Santa Catarina

Mechanical Technician (1993 > 1997) Federal Center for Technological Education Dario Geraldo Sales – Santa Catarina

**Languages:** Portuguese, German and English

## **Summary of Significant Training**

Die maker – Senai – Santa Catarina

Designer – Senai – Santa Catarina

CNC master control – Senai – Santa Catarina

Lean manufacturing – Gestamp Parana

ISO 9000, 14000, TS, Formul Q, APQP – Gestamp Parana

Management and leadership – Gestamp Parana

## **Other International Experiences**

Volkswagen – Shassis PQ-25 program (2008) Kassel - Deutschland.

Gestamp – PSA development (2009) Bilbao.

Gestamp – Renault B-52 development (2009) Madrid – Spain.

Gestamp – Volkswagen UP program (2010) Bielefeld/Griwe – Deutschland.

Volkswagen – Amarok development (2011) Hanover – Deutschland.

Gestamp – Renault programs (2011,2012, 2013 2014,2015) – China.

Fiat – Fiat 226(Toro), 521(2014) – Torino -Italy and Betim - Brazil

Gestamp – Hotforming program (2013, 2015) Lulea – Sweden.

Honda / FTech – Honda Civic program (2015) Hiroshima – Japan

Gestamp – Honda Civic program (2015) Durham/Londres - UK

E-mail: [cruzpaulo945@gmail.com](mailto:cruzpaulo945@gmail.com)

---

## Objetivos

Posições técnicas em indústrias de óleo e gás, linhas de produção, estamparia, ferramentaria de estampagem e de moldes de injeção de termoplásticos, setor de desenvolvimento e execução de projetos e negócios.

---

## Resumo de Qualificações

23 anos de experiência em indústrias metal mecânicas atuando como operador de máquinas, técnico mecânico, projetista, programador CAD / CAM e coordenador de engenharia.

---

## Experiências Profissionais

**GME Aerospace** – Brasil – (atualmente) Paraná

Gerente de Projetos

**Gestamp Automocion** – Brasil - ( 2001 a 2016) Paraná

Responsável pelo setor de CAD / CAM, supervisor usinagem, projetista, coordenador de engenharia.

**Vama Ferramentaria** - Brasil - ( 2000 a 2001) Santa Catarina

Responsável pelo setor de CAD / CAM.

**Herweg Moldes e Ferramentas** – Brasil – ( 1996 a 2000) Santa Catarina

Responsável pelo setor de CAD / CAM e projetista de moldes.

**Ferramentaria Floriano** – Brasil ( 1995 a 1996) Santa Catarina

Responsável pelo setor de centros de usinagem CNC e programador CAD / CAM.

**Kavo do Brasil** – Brasil – ( 1994 a 1995) Santa Catarina

Responsável pelo centro de usinagem.

**Tornarth Ferramentaria** – Brasil – ( 1993 a 1994) Santa Catarina

Torneiro ferramenteiro.

## **Histórico Escolar**

Uninter internacional(atualmente)

Engenharia Mecânica (1998 > 2001 não completo) UDESC - Santa Catarina

Técnico Mecânico (1993 > 1997) Centro Tecnologia Dario Geraldo Sales – Santa Catarina

**Idiomas:** Português, Alemão e Inglês

## **Cursos e Treinamentos**

Ferramentaria – Senai – Santa Catarina

Projetista – Senai – Santa Catarina

Controle numérico/programação – Senai – Santa Catarina

Lean manufacturing – Gestamp Parana

ISO 9000, 14000, TS, Formul Q, APQP – Gestamp Parana

Management and leadership – Gestamp Parana

## **Experiências Internacionais**

Volkswagen – Programa Shassis PQ-25 (2008) Kassel – Alemanha.

Gestamp – Desenvolvimento PSA (2009) Bilbao.

Gestamp – Desenvolvimento Renault B-52 (2009) Madrid – Espanha.

Gestamp – Programa Volkswagen UP (2010) Bielefeld/Griwe – Alemanha.

Volkswagen – Desenvolvimento Amarok (2011) Hanover – Alemanha.

Gestamp – Programas Renault (2011,2012, 2013 2014,2015) – China.

Fiat – Fiat 226(Toro), 521(2014) – Torino -Italia e Betim - Brasil

Gestamp – Programas de Hotforming (2013, 2015) Lulea – Suécia.

Honda / FTech – Programa novo Honda Civic (2015) Hiroshima – Japão.

Gestamp – Programa Honda (2015) Durham/Londres - UK
